

Yordan Stoyanov Nedev

Business address: Sofia, Blvd., „Tsarigradsko Shose“ №135.

Yordan Nedev is an expert in finance with a rich management and consulting experience.

Yordan Nedev has started his experience in the Bulgarian office of the German consultancy company Roland Berger, where he worked on the privatization of Bulgarian enterprises. After his return to Bulgaria, Mr. Nedev worked as a financial consultant for the initial public offering of shares on the Bulgarian Stock Exchange of Investor.bg, after which he worked as its Executive Director. He was the manager of the licensed investment broker CEE Securities before joining MMD Partners in 2005, where he leads the financial consulting practice. In 2011, after two successful consultancy projects, he took over the management of BDZ Holding EAD, carrying out a massive restructuring of the activities of the company, increased financial and operational control and improved commercial practices. In the period April 2013 - September 2014 Yordan is the manager of Bianor Services Ltd. - a software development company.

Yordan Nedev is a bachelor of economics at the Faculty of Economics, Sofia University "St. Kliment Ohridski ", and in 2002 he became Master of Finance at London Business School, UK.
